## Preamble

*The National Preschool Curriculum Standard (NPCS) has replaced the National Preschool Curriculum in January 2010. Since the Education (Amendment) Act 2002 has made it mandatory for all kindergartens/preschools to use the curriculum prescribed by the Ministry of Education, NPCS is now the mandatory curriculum. A kindergarten/preschool can be fined up to RM10,000 or imprisoned or both for contravening Section 22 of this Act.*

*NPCS has several new elements which can pose challenges and affect the success of its implementation and teacher effectiveness. Among these new features are (i) modul teras asas and modul bertema and the proportion of their time allocation; (ii) medium of instruction has to be 50% BM and 50% English and in Chinese/Tamil preschools, the allocation is 1/3 BM, 1/3 BI and 1/3 BC or BT; and learning standards for 4+ and 5+. Thus the NPCS requires the teacher to be proficient in BM and BI, and knowledgeable in scheduling the preschool time to accommodate all the requirements besides possessing the skills to conduct thematic activities.*

*Among the aims of MAPECE is the promotion of quality early childhood education and professional effective educators. This Workshop is among those conducted by MAPECE to enhance the efficacy and professionalism of early childhood educators.*

## OBJECTIVES OF THE WORKSHOP

- 1) To enable preschool administrators and teachers to understand the philosophy and rationale for the change to National Preschool Curriculum Standard.
- 2) To help preschool administrators and teachers know the focus, standard contents and learning standards for children of 4+ and 5+ years of age.
- 3) To provide guidelines for drawing up yearly, half-yearly, weekly and daily plan of work.
- 4) To build up preschool teachers' capacities in:
  - i) Drawing up weekly plans that meet NPCS's requirements.
  - ii) Writing lesson plans that meet school inspectors' specifications.
  - iii) Planning activities for the core (*modul teras asas*) and the themes (*modul bertema*).

**Workshop Fee: RM200 for Non-members  
RM 160 for Members**

**Workshop fee includes National Preschool Curriculum Standard, workshop and reference materials, Certificate of Attendance, lunch and tea**

### **About the Presenters and Facilitators**

The presenters and facilitators are panel writers of NPCS and/or its master trainers. All of them have vast experiences in teaching in preschools or lecturing in early childhood education. This team of presenters and facilitators is led by Datuk Dr Chiam Heng Keng, formerly Professor of Social Psychology in Education in University of Malaya, is a foremost authority on early childhood education in Malaysia. She was the founder of the Bachelor & Master in Early Childhood Education in UM – the first of their kind in Malaysia. She has authored books, chapters in books and articles in academic journals on children, adolescents, parenting and early childhood education. She has researched extensively into children and adolescent development and sits on numerous committees on matters related to children and adolescent development and to early childhood education. She is a much sought-after speaker, nationally & internationally. She also founded MAPECE.
